14TH DISTRICT | MONTHLY NEWSLETTER | Nov. 2021

“

The holiday season is upon us, and as the weather gets colder, and we begin to gather with friends and family, I would encourage those who are not yet vaccinated against COVID-19 to take that very important step to help protect family, friends, loved-ones and neighbors during the holidays. The vaccination is safe, easy to obtain and now available for anyone 5 years of age or older. As we move into winter, I hope you can attend our upcoming virtual town hall meeting, and take a few moments to read about all the other updates happening throughout our district.

COVID Vaccines for Youth

The Pfizer-BioNTech COVID-19 vaccine is now available for youth ages 5-11.

I would encourage all those with young children you take this very important step to keep our children, families and community safe as we approach the holidays.

Vaccines are safe, free, easy and available without appointment at any Milwaukee Health Department vaccination site. For hours, locations and a list of pop-up sites, please visit Milwaukee.gov/COVIDVax.

Port of Milwaukee Groundbreaking

Recently, the Port of Milwaukee broke ground on the DeLong Co., Inc. agricultural maritime export facility.

This project will create jobs, support Wisconsin farmers, grow the regional economy, and is part of the largest investment at the Port in decades.

This is just the beginning. Stay tuned for more news about this exciting development on Jones Island.

MKE Tech Week

I was honored to be a part of this year's MKE Tech Week where I joined a panel with bi-partisan state/local representatives/administrators: Dora Drake, Joel Brennan, Dale Kooyenga, and David Crowley to discuss our perspectives on growing the local tech ecosystem.

I spoke about how building the tech industry in Milwaukee relies on the City of Milwaukee improving the quality of life for all of our residents including public schools, housing and much more. Thank you to David Reeves at OpenGov Inc. for facilitating the discussion and to Wisconsin Startup Coalition for organizing the event.

Around the 14th: Semolina

Just a few weeks ago I helped welcome Semolina MKE to the neighborhood. Setting up shop at 2474 S. Kinnickinnic Ave., this local business seeks to carry on the best aspects of old world pasta traditions through the use of fresh local ingredients, sustainable practices and community nourishment.

You can visit <https://semolinamke.com/> to check out their hours, and all they have to offer.

CITY OF MILWAUKEE
